

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

CTLX

report date 28 May 2013

Yarding Change 3585
1091

comparison date 21/05/2013

Numbers increased and quality remained good. Vealers were in short supply and there were large drafts of feeder steers along with plenty of trade cattle. Grown steers were better supplied and there were nearly 600 cows. All the usual buyers were operating with strong competition for feeder cattle in a dearer market.

Vealers lifted 8c to 13c ranging from 160c to 226c/kg for heavy weights to the trade. Feeder steers gained 15c to 18c selling from 150c to 184.6c to average 175c. Trade yearling steers made from 165c to 190c averaging 183c/kg. The medium weight trade heifers lifted 7c/kg and heavy weights sold just under the previous sale. Prices ranged from 145c to 186c/kg. Feeder heifers sold dearer averaging 160g/kg.

Grown steers lifted 3c with most steers having more condition and ranged from 165c to 186c/kg. The majority of the heifers sold firm but some sales were 10c/kg dearer. Cows gained 4c to 8c with the medium weight 2 scores ranging from 60c to 96c and the better covered heavy weights 98c to 121.8c/kg.
