

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Pakenham

report date 25 Jun 2013

Yarding Change 310
-86

comparison date 18/06/2013

There were approximately 270 cows and a few heifers and bulls penned. The usual buying group was present for a dearer market overall. Quality was mixed with most weights and grades represented. A handful of grown heifers sold slightly cheaper, while the cows and bulls were stronger. Processors competed strongly on limited numbers.

A small number of grown heifers sold from 130c to 150c/kg. A handful of dairy cows sold mostly from 80c to 127c, lifting 4c to 9c/kg. Plain conditioned 1 and 2 score beef cows made between 99c and 134c, lifting 2c to 5c/kg. Good conditioned 3 and 4 score heavy weight beef cows sold between 124c and 136c, up 4c to 5c/kg. Most lightweight bulls made from 122c to 132c, slipping 2c, while the heavy weights sold from 129c to 140c, lifting 5c/kg.
