Numbers showed a large decrease, although quality continues to be mixed. There were good numbers of well finished grain fed cattle offered along with the plainer lines. The usual buyers were present and competing in a firm to dearer market.

Yearling steers to feed lifted 3c selling from 159c to 192c/kg for medium and heavyweights. Those to processors were fully firm. Medium weights received from 170c to 195c and heavy weight from 165c to 194c/kg. Yearling heifers to feed jumped 8c/kg, with quality a contributing factor. Prices ranged from 159c to 186c/kg across all weights. The better finished lines to processors held firm selling from 150c to 202c for medium weights and 155c to 178c/kg for heavy weights.

Heavy steers and bullocks also held steady selling from 165c to 190c/kg. Grown heifers received from 140c to 160c/kg. An improved yarding of cows jumped 9c to 10c/kg. Heavy 2 scores sold from 116c to 127c and 3 scores from 124c to 139c/kg.
