

## Feeder report - cattle

Market information provided by MLA's National Livestock Reporting Service

# **Eastern States**

report date 05 Jul 2013

Feeder rates have again improved by 5¢/kg from most contributors, as the supply of suitable stock stats to dwindle. Numbers are starting to tighten through the southern states however reports suggest adequate supply is still available through southern Queensland.

Prices across physical markets also improved by 3c to 5c/kg lwt.

#### **Domestic Paddock Sales**

| Category | Weight<br>Range | Dentition | Low Price<br>c/kg (live) | High Price<br>c/kg (live) | Average<br>c/kg (live) | Trend |
|----------|-----------------|-----------|--------------------------|---------------------------|------------------------|-------|
| Steers   | 280-350         | 0         | 165                      | 210                       | 185                    | 4     |
| Heifer   | 280-350         | 0         | 150                      | 180                       | 166                    | 2     |
