

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Wodonga

report date 17 Jul 2013

Yarding Change $\frac{900}{350}$

comparison date 10/07/2013

Numbers were significantly higher and all weights and grades were represented in a mixed quality yarding, along with increased numbers of heavy beef lines. The usual contingent of winter buyers was in attendance and operating.

Heavy well finished beef cows sold to strong bidding, selling 5c dearer ranging from 145c to 164.2c, averaging 154.7c/kg. The 2 and 3 score cows were well supplied and not all southern processors were keen to purchase, resulting in a cheaper trend of 4c to 7c/kg. The D3 medium weight lines averaged 144.4c/kg. There was a very mixed selection of dairy lines and most sold between 119c to 138c/kg.

The plainer quality selection of bulls sold to the usual group of buyers, as B and C muscled bulls sold up to 8c cheaper, with prices ranging from 149c to 169.2c/kg.
