

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

New South Wales

report date

26 Jul 2013

Rates were up across most categories, with some price trends from 5¢ to 20¢/kg dearer. Reports suggest some producers may hold on to stock, with some good rain reported across parts of the state.

Quality continues to be plain, with limited supplies of well-conditioned cattle available.
