Numbers declined due to the wet conditions, with odd loads having to be cancelled prior to market. It was a typical winter yarding with all weights and grades represented. There was an increased field of buyers operating, with one major export company returning after a short absence.

Heavy cows sold to strong competition with well finished cows selling up to 5c dearer, ranging from 148c to 164.2c and averaging 155.9c/kg. Two and three score cows were well supplied, however buyers were not as confident with yields on plainer lines resulting in prices easing up to 6c/kg for light framed stock. The D2 and D3 pens sold from 128c to 154c/kg. There was a mixed selection of dairy lines offered, with prices also easing up 6c/kg for lighter weights.

The better quality selection of bulls sold to increased buying competition with B and C muscled bulls selling up to 20c dearer, ranging from 160c to 189.6c/kg.
