

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Dubbo

report date 22 Aug 2013

Yarding Change 4210
-140

comparison date 15/08/2013

It was a mixed yarding with good numbers of trade cattle along with a good selection of cows. There were not as many grown steers as previous sales and those yarded were not to the standard of the previous week. One major processor and feedlot did not operate due to their orders being filled earlier in the week.

Trade cattle to the processors were 5c to 7c cheaper, while to the restockers and feeders they were up to 15c/kg cheaper. Prime yearling steers to kill sold from 161c to 205c, with the heavy weights averaging 190c/kg. Heifer yearlings to the processors sold from 150c to 194c, while the good quality young steers to the feeders sold from 150c to 193c/kg.

Grown steers were 4c cheaper with the 3 and 4 score medium and heavy weights selling from 170c to 194.2c, with the 4 score heavy weights averaging 185c/kg. Grown heifers sold to 169.6c/kg. Plain conditioned cows were up to 5c cheaper in contrast to the prime conditioned cows which were 4c/kg dearer. The 2 score cows sold from 80c to 130c, while the better 3 and 4 score medium and heavy weights sold from 130c to 158.2c with the 4 score heavy weights averaging 150c/kg. The best bull sold for 175.2c/kg.
