comparison date 23/10/2013

Numbers halved in a mixed quality offering, with most weights and grades represented. A regular group of buyers was in attendance along with some northern competition.

The lack of numbers was the market driver with prices lifting 10c and up to 15c/kg. Heavy cows averaged 136c/kg. The 2 and 3 score cows were in limited supply and the D3 medium weight lines averaged 128c/kg. Dairy cows were keenly contested by southern processors resulting in a dearer trend of 10c to 21c/kg. Cows returning to the paddock sold to strong local restocker inquiry reaching a top price of 117c/kg.

The mixed quality selection of bulls sold to stronger demand, with prices up to 24c/kg dearer. Good quality, high yielding bulls ranged from 134c to 160c/kg.
