

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Great Southern Saleyard

report date 02 Jan 2014

Yarding Change <sup>2044</sup>  
-114

comparison date 19/12/2013

The first sale of the year saw reasonable number supplied. There was once again healthy weight recorded throughout the classes, even though there was a considerable drop in condition scores comparative to the pre- Christmas sales. Feeder demand improved comparative to the last sale, while restocker demand was also very solid with most classes enjoying higher prices, with lightweight steer and heifer classes again struggling for quality.

Category Weight	Sale Prefix	Muscle Score	Fat Score	Head	Live Weight c/kg				Estimated Carcase Weight c/kg			Estimated \$/Head
