comparison date 05/03/2014

Numbers increased marginally in a good quality yarding, with heavy cows well represented. Medium weight cows were in reasonable numbers, while plainer lines were in short supply. The usual turnout of buyers were in attendance, along with a major processor from SA.

Increased supplies led to select bidding by some processors for well-finished cows and prices were generally 4c/kg cheaper. The 2 and 3 score cows sold to mostly southern competition with the D3 medium weight lines averaging 127.5c/kg. Plainer light weight cows sold to only a few buyers and prices ranged from 76c to 102c/kg. Younger light weight cows attracted local restocker competition and they made from 100c to 114c/kg.

A larger yarding of mixed quality bulls sold to a small group of buyers and B and C muscled bulls made from 146c to 163c/kg.
