

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Forbes

report date 23 Jun 2014

Yarding Change $\frac{2470}{274}$

comparison date 16/06/2014

Numbers lifted slightly this sale and quality continues to be very mixed. There was some good runs of well finished and grain assisted cattle on offer, along with a large percentage of plainer secondary lines. Yearlings made up the majority of the yarding, along with a good number of cows. The usual buyers were present and competing.

Yearling steers to feed eased 5c/kg. Medium weights sold from 169c to 210c and heavy weights were from 180c to 216c/kg. The absence of an order from last week saw the better finished lines sell cheaper. Medium and heavy weights ranged from 180c to 211c, while the heifer portion to feed held firm and sold from 145c to 176c/kg. Those to processors were limited in numbers and received from 160c to 195c/kg.

Heavy steers and bullocks eased 3c to 4c, selling from 165c to 211c/kg. Grown heifers received from 136c to 170c/kg. Cows lifted 6c to 7c, with heavy 2 scores from 112c to 126c, while the 3 and 4 scores received from 124c to 142c/kg.
