Yarding Change $\frac{400}{79}$

comparison date 24/06/2014

There were approximately 250 cows, 30 grown heifers and 20 bulls penned, representing an increase of 80 head week-on-week. All of the regular buyers were present and operating in a dearer market as one large export processor returned to the gallery after a short absence. Quality improved on last sale with a larger proportion of well covered heavy weights penned. Restockers were operating and met with stronger competition from processors keen to secure numbers. Most weights and grades were offered in the cows with prices lifting 9c to 13c while the heavy weight bulls sold up to 6c/kg dearer on a better quality draft although competition was subdued when compared to recent sales.

Most light and medium weight cows sold from 108c to 128c/kg. Heavy weight cows made mostly between 120c and 158c/kg. Restocking cows sold between 108c and 127c/kg. Heavy weight bulls made from 150c to 180c/kg.
