

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Naracoorte

report date 08 Jul 2014

Yarding Change $\frac{1104}{254}$

comparison date 01/07/2014

There was a sizeable increase in cattle supply and quality was from plain through to good. Most of the regular buyers were present and prices firm to dearer for most categories. The yarding comprised of 791 weighed cattle, 212 cows, 33 bulls and 68 open auction young cattle.

In contrast to last week, the young cattle sale included several pens of supplementary fed yearlings and milk fed vealers. The C2 and C3 grades of supplementary fed yearlings sold from 185c to 210c/kg. The grass-fed run sold at firm levels mainly between 165c and 195c, with vealers to 225c, and restockers paid up to 208c/kg for their yearlings. The D2 yearlings were equal to 5c dearer and made from 140c to 158c, with restockers paying up to 168c/kg.

The grown steers and heifers sold at similar prices to last week. The C3 and odd C4 grades of grown steers were from 192c to 210c/kg. Grown heifers of 3 and 4 score condition sold between 152c and 177c/kg. A run of cows cost processors a little more overall, while prices for the D1 grades were the exception and eased 3c to make from 118c to 132c/kg. The D2 cows were from 134c to 146c and the 3 to 5 score cows made from 138c to 155c, with a top pen at 159c/kg. Those B2 heavy weight bulls were 5c to 8c dearer at 150c to 168c, with others in the sale up to 170c/kg.
