Numbers increased marginally and supply was excellent, with only a small portion of the offering leaner grades. The usual group of buyers was in attendance, however a major buyer from South Australia did not attend this week.

Well-finished high yielding beef cows sold to strong demand, with European B muscled cows topping at 185c, while the D4 heavy cows averaged 171.1c/kg. The 2 and 3 score cows were in limited supply and all buyers operated in this category, with prices generally firm for the heavy weights while the medium weight lines eased up to 3c/kg.

Bidding was strongest for European bulls, while other breeds also attracted steady demand. The better B and C muscled bulls made from 160c to 196c/kg.
