

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Dubbo

report date 18 Sep 2014

Yarding Change 7200
800

comparison date 11/09/2014

It was another good quality yarding, with plenty of prime conditioned cattle in all sections, though there were not the numbers of grown steers compared to previous sales. Not all buyers were present, with the absence of some export processors and trade operators.

Trade cattle to processors were firm, with vealers selling to 210c/kg. C3 yearling steers sold from 180c to 211c, to average 203c, while the prime heifer yearlings sold from 165c to 201c/kg. Feeder cattle were firm to 3c cheaper, with the better quality steers selling from 173c to 209c, while the feeder heifers sold from 150c to 191c/kg. Restockers paid to 225c/kg for young steers to go back to the paddock.

Medium weight grown steers were 1c to 3c cheaper, while the heavy weights were up to 7c/kg cheaper. Prime condition medium and heavy weight steers sold from 185c to 209c, with the medium weights averaging 202c/kg. Grown heifers sold to 192c/kg. Cows were 13c to 15c cheaper, with 2 score cows selling from 105c to 135c to processors and 127c/kg to restockers. The 3 and 4 score medium and heavy weight cows sold from 126c to 176c, with the 4 score heavy weights averaging 166c/kg. Bulls were also cheaper selling to 215c/kg.
