comparison date 23/09/2014

Young cattle numbers fell considerably this week, with 1,373 weighed cattle and 112 open auction young cattle penned. The usual buying group attended and operated in a mostly dearer market, with most cattle selling to 10c/kg better and more in places. Quality was good over most of the yarding and this was reflected in the better prices for the well-presented drafts.

Light weight vealer steers sold from 182c to 195c, with medium weights selling from 188c to 224c and heavy drafts between 170c and 227c, to be 10c to 20c/kg dearer to the trade. Feeders and restockers mostly paid from 160c to 180c/kg. Vealer heifers made from 170c to 210c, to be to 5c better, with B3 heifers selling to 210c and one sale to 229c, while restockers paid between 119c and 133c/kg for light heifers. Restockers paid from 161c to 192c for yearling steers, with the trade paying mostly from 156c to 196c, with sales to 210c, up 5c to 10c/kg. The heifers sold from 160c to 185c, with odd sales to 205c, and averaged mostly 10c better, as restockers paid to 190c/kg.

Medium weight grown steers ranged between 169c and 211c, with heavy weights from 178c to 198c, to be mostly to 10c/kg better. Grown heifers sold from 153c to 179c for the D3 and D4 grades and from 170c to 188c for the C3 grades, up 10c/kg.
