

Market comments week ending 27 February 2015

Sheep and lamb numbers dropped 25,000 head this week to 74,885 head offered while cattle dropped to 8,313. However, these numbers did not stop the record throughput on AuctionsPlus in a month, with sheep and lambs totalling 255,000 and cattle totalling 37,000 to round out the month of February.

Breeding stock of all descriptions continued to meet with keen interest. Scanned and joined Merino and first cross ewes available in southern NSW, Vic and SA, were in demand from buyers aiming to restock numbers and build up their flocks. Merino ewe hoggets averaged \$110 and made from \$50 to \$151 and were topped by a line of 55kg, unjoined Cottage Park and Demondarille blood ewes from Cooma NSW. Likewise, young and aged joined Merino ewes saw a rise this week, making \$51 to \$155 with an average of \$111. This was highlighted by a number of lines from Wagga Wagga NSW which were scanned in lamb to Border Leicesters, and had a 2" skin. Merino wether lambs also drew buyer interest with a range of \$35 to \$92.50 and an average of \$63, with the majority of these lots having a 1.5" or longer skin. Grown Merino wethers averaged \$95 with a range of \$90 to \$101. Breeding ewe demand also corresponded with Border Leicester/Merino ewes. Ewe lambs averaged \$110, and was topped by a small line of 6-7 month 49kg ewe lambs from Dubbo NSW for \$200. While first cross ewe hoggets were topped by 18 month old 72kg ewes joined to Poll Dorsets also from Wagga Wagga for \$200. Store lambs weighing 30kg to 33kg made from \$60 to \$89, 34kg to 35kg lines made \$85 to \$88, 36kg to 38kg lines made \$82 to \$108, topped by second cross White Suffolk lambs weighing 38kg from Kingscote in SA. The heaviest store lambs at 39kg to 40kg made \$81 to \$105.

Breeding cattle also continued to draw demand from buyers with young pregnancy tested in calf heifers averaging \$1055 and making \$900 to \$1250. While aged PTIC breeders averaged \$1175, with a top line of 5-7 year old Glenruben blood Angus cows from Coonamble in NSW, which had been joined to an Angus bull made \$1230. Equally, proven breeders with calves at foot also invited interest from buyers. These were highlighted by 572kg Murray Grey cows from Tumbarumba in NSW with Angus calves at foot which made \$1430, and a line of 3-7 year old Banquet blood Angus cows with Angus calves at foot from Penola in SA made \$1420. Light steers weighing less than 250kg averaged 270c live weight with a range of 264c to 277c, up 3c on last week, with heifers of the same weight averaging 230c with a range of 158c to 274c. The top c/kg rate was a big line of 6 to 11 month Santa and Santa cross heifers from Isisford in QLD, which weighed 144kg and made \$395. Steers weighing 250kg to 300kg ranged from 225c to 273c, while heifers steadied on last week and ranged from 227c to 248c with an average of 235c. Steers weighing 300kg to 349kg made 232c to 253c, with an average of 245c down 2c on last week. Heifers ranged from 189c to a top line of 264c or \$885 for 15-18 month Brangus heifers weighing 335kg from Armidale in NSW. 350kg and over steers on offer made from 254c to 268c with an average of 261c.
