

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Wodonga

report date 28 Jan 2015

Yarding Change $\frac{1000}{-1000}$

comparison date 21/01/2015

Numbers halved compared to the previous sale and quality was mixed, with all weights and grades represented. Buying competition was much stronger over all categories. Major processors from northern NSW, SA, Queensland and Victoria were operating, however not all southern buyers operated fully in a dearer market.

Well finished cows sold to strong demand which resulted in prices lifting 17c/kg. The better finished lines made from 190c to 217c/kg. The 2 and 3 score cows were in reasonable supply and this category sold to strong competition from all processors which resulted in a dearer trend of 11c to 18c/kg. The D2 and D3 cows made from 160c to 203c/kg. Friesian cows were in reasonable supply and prices were 35c higher, reaching a top price of 195c/kg.

Bidding intensified for heavy well shaped bulls, and prices were up to 15c/kg dearer. Well shaped heavy B and C muscled bulls made from 204c to 238c/kg.
