comparison date 04/03/2015

Numbers more than halved and quality was good with most weights and grades represented. Buyer demand was weaker over most categories and not all the usual buyers attended. There were a few store orders in place which helped lift prices for the better bred leaner grades.

Well finished cows made up a sizable portion of the yarding with good quality lines selling 6c cents cheaper. The better finished lines made from 174c to 197c/kg. Two and three score cows were in reasonable supply, with leaner young cows generally 10c/kg cheaper. The D2 and D3 cows made from 165c to 185c/kg. Friesian cows were in limited supply, selling from 148c to 174c/kg. Plainer light weight young cows returning to the paddock sold from 150c to 173.6c/kg.

Heavy well shaped bulls sold to fluctuating price trend, from a smaller gallery of buyers. Well shaped heavy B and C muscled bulls made from 185c to 222c/kg.
