Yarding Change $\frac{900}{400}$

comparison date 11/03/2015

Numbers almost doubled and quality was quite good with plenty of high yielding beef cows penned. There was increased buying competition from northern and southern processors which resulted in cow prices strengthening.

Well finished cows made up a substantial portion of the yarding, with good quality lines selling 2c to 6c/kg dearer. The better finished lines made from 177c to 195c/kg. Two and three score cows were in reasonable supply, with leaner young cows selling to a dearer trend of up to 9c/kg. The D2 and D3 cows made from 164c to 188c/kg. Friesian cows were in limited supply, selling from 164c to 170.6c/kg.

Bull quality slipped this week with less weight in the offering. Well shaped heavy B and C muscled bulls made from 172c to 215c/kg.
