There were approximately 240 cows and 25 bulls penned representing a decrease of 130 head week-on-week. Most of the usual buying group was present and operating, not all fully, in a generally firm market. Quality improved in the limited offering, with a larger proportion of heavy weight beef cows and a more limited selection of light and medium weights on offer. Demand was solid from processors keen to secure a share of the limited offering. Most averages were firm, with the odd dearer sale while the handful of heavy weight bulls improved a few cents.

Most light and medium weight cows sold from 152c to 200c/kg. Heavy weight cows made mostly between 177c and 220c/kg. Heavy weight bulls sold mostly between 245c and 249c/kg.
