Yarding Change ³³⁰/₉₁

comparison date 23/06/2015

There were approximately 220 cows and 10 bulls penned, representing an increase of 90 head week-on-week. The usual buying group was present and competing in a generally firm market. Quality was mixed with most weights and grades represented, including a better selection of heavy weight beef cows while dairy cows were again limited. Demand was strong from processors for the limited offering and restockers were operating on suitable sound cows. Light weight cows eased a little in places due to quality. The market held firm for the heavy weights, with the odd sale slightly dearer, while the heavy weight bulls sold to firm demand.

Most light and medium weight cows sold from 170c to 210c/kg. Heavy weight cows made mostly between 188c and 252c/kg. Heavy weight bulls sold between 226c and 269c/kg.
