Yarding Change ²⁸⁶₋₄₄

comparison date 30/06/2015

There were approximately 260 cows and 30 bulls penned, representing a decrease of 50 head week-on-week. Most of the usual buying group was present and operating in a dearer market. Quality was plainer overall and while most weights and grades were represented, yield potential was down from the previous sale. This did not deter buyers who were very keen to secure a share of the limited offering. Cows improved 10c to 15c while a bigger and better quality offering of heavy weight bulls gained 15c/kg.

Most light and medium weight cows sold from 185c to 235c/kg. Heavy weight cows made mostly between 210c and 259c/kg. Heavy weight bulls sold between 242c and 265c/kg.
