

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

Victoria

report date

31 Jul 2015

Both yearling and grown steer OTH indicators remained close to firm this week, however some contributors lifted rates on cows and bulls, resulting in dearer trends of 4¢ to 11¢/kg cwt. Reports were mixed in terms of supply, with some areas now finding it difficult to source suitable cattle, while others suggest forward numbers are still sufficient to fill orders.
