

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

CTLX

report date 27 Oct 2015

Yarding Change 1380
-200

comparison date 20/10/2015

Numbers were back and the quality was fair to good. Plainer light weights were better supplied along with plenty of yearlings suited to feed and restocking orders. Prime cattle were still in short supply. Around 200 mostly well covered cows were offered in a stronger market.

Feeder steers were 10c to 20c dearer, depending on weight, with the medium and heavy weights ranging from 290c to 322c/kg. Quality affected the heifer run and the heavy feeder heifers eased 5c ranging from 265c to 275c/kg. Trade yearling steers were firm selling from 275c to 321.6c and the heavy heifers lifted 10c receiving 250c to 322c/kg.

Grown steers and bullocks were 25c dearer selling from 255c to 297c and the grown heifers gained 15c with most ranging from 230c to 268c/kg. Cows were the big improver with the better covered lines lifting 16 to 30c/kg. Lighter plainer cows were stronger again. Medium weight 2 score cows sold from 200c to 233c/kg. The heavy 3 and 4 scores made from 225c to 242c/kg.
