

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

CTLX

report date 17 Nov 2015

Yarding Change $\frac{2726}{286}$

comparison date 10/11/2015

Numbers lifted and the quality was good. There were ample numbers of well-bred feeder cattle, along with a good selection of yearlings suitable for the trade. Grown steers were again in short supply and there were reasonable numbers of grown heifers with 2 and 4 teeth which were suited to feeder orders. Nearly 600 head of good quality cows were offered to the usual buyers in a cheaper market.

Limited vealers sold to the trade, with medium weights ranging from 305c to 338c/kg. Trade yearling steers eased 11c to 15c, selling from 283c to 332c and the heifers slipped 8c to 10c to return 283c to 320c/kg. The medium and heavy feeder steers fell 15c to 25c to sell between 288c and 332c/kg. Lighter and leaner feeder heifers held firm while the better covered lines eased up to 15c/kg. Prices ranged from 283c to 320c/kg.

Grown steers and bullocks were 9c to 13c cheaper, with steers over 500kg ranging from 274c to 283c/kg. Grown heifers to feed went against the trend and lifted 7c to sell from 275c to 307c/kg. Cows were back 6c to 10c, with the medium weight 2 scores from 180c to 245c/kg. The heavy 3 and 4 scores sold from 236c to 257c/kg.
