

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

New South Wales

report date

12 Feb 2016

The NSW over-the-hook indicators were steady this week, with all contributors keeping rates unchanged. Direct consignment prices continue to trade at a discount to NSW saleyard prices, where rain has encouraged strong restocker interest in the market and feeder inquiry remains strong.

Grade	Weight Range (cwt kg)	Dentition	Muscle Score	Fat (mm)	Average (c/kg cwt)	Trend	
Yearlings
