Yarding Change ³⁷²/₁₄

comparison date 09/02/2016

There were approximately 350 cows and 20 bulls penned, representing a similar overall number week-on-week. The usual buying group was present and competing in a dearer market. Quality was mixed, with most weights and grades represented and competition was strong from all the regular exporters. There was some restocker enquiry however processors took the bulk of the yarding. Heavy weight cows lifted mostly around 10c while the lighter weights gained up to 20c/kg. Heavy weight bulls sold to increased competition from a larger field of exporters, with prices 10c to 15c/kg dearer.

Most light and medium weight cows sold from 175c to 232c/kg. Heavy weight cows made mostly between 211c to 257c/kg. Heavy weight bulls sold between 257c and 268c/kg.
