Numbers lifted in mixed quality yarding. A large percentage of the trade offering were vealers in varying condition and weight categories. Most buyers were in attendance however, not all feed lot buyers were operating.

Prices for vealers slipped owing to the dry seasonal conditions which are impacting on quality. The better finished vealers made from 295c to 338c/kg. Medium weight trade heifers sold to a small field of buyers, resulting in prices easing 3c/kg. Medium weight trade heifers sold at 275c to 306c averaging 290c/kg. Trade steers sold to fluctuating demand, due to limited supplies of supplementary fed stock. Well finished steers sold from 286c to 320c to average 305.2c/kg.

The bulk of the secondary yearling steer offering was quite mixed. Medium weight steers sold from 282c to 306c/kg. There was more bidding for well-bred Angus heifers suitable to feed on, which pushed prices 7c/kg higher to average 292c/kg.

In the export market demand was generally steady from both domestic and export processors. Grown steers and bullocks made from 274c to 305c/kg. Heavy heifers lifted 10c selling at 272c to 285c/kg.
