

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Pakenham

report date 17 May 2016

Yarding Change ⁴⁹⁹/₉₈

comparison date 10/05/2016

There were approximately 480 cows and 20 bulls penned representing an increase of 100 head week-on-week. The usual buying group was present and operating in a mostly dearer market. Quality was mixed with a better selection of heavy weight beef cows and a larger offering of lighter cows suited to turn out. Heavy beef cows sold up to 10c dearer, while lighter grades rose around 5c/kg, with a large proportion of the light weights returning to the paddock. Heavy weight bulls eased 1c to 4c/kg for a plainer selection.

Most light and medium weight cows to processors sold from 150c to 220c/kg. Heavy weight cows made mostly between 198c and 258c/kg. Restocking cows sold between 135c to 209c/kg. Heavy weight bulls made from 239c to 286c/kg.
