

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Pakenham

report date 06 Jun 2016

Yarding Change 850
-250

comparison date 30/05/2016

There were approximately 400 export and 450 young cattle penned representing a decrease of 250 head week-on-week. The usual buying group was present and competing in a dearer market. Quality was mixed with most grass cattle lacking finish and a better selection of heavy weight grain assisted cattle on offer. Trade cattle sold dearer despite not reaching the same top prices of last sale with quality the issue. The smaller and plainer quality vealer offering sold 4c to 7c/kg dearer and more in places. Yearling steers and heifers to the trade lifted 5c to 8c/kg for most. Feeder steers were keenly sought after lifting 9c/kg. Grown steers and bullocks gained 5c to 6c/kg on most sales and more in places.

Heavy weight vealers to butchers sold from 316c to 335c/kg. Yearling trade steers made between 307c and 338c/kg. Yearling heifers to the trade sold between 285c and 337c/kg. Feeder steers made from 282c to 320c with the heifer portion from 277c to 319c/kg.

Grown steers sold from 295c to 333c/kg. Bullocks made between 305c and 325c/kg. Heavy weight grown heifers sold between 255c and 298c/kg for most. Heavy weight crossbred manufacturing steers made from 274c to 306c/kg.
