report date 07 Jun 2016

Yarding Change $\frac{748}{205}$

comparison date 31/05/2016

Agents yarded the larger number of 748 head of live weight and open auction cattle with an increase of over 200 head. A smaller array of trade and processor buyers were present with not all fully active throughout the offering. The quality of the yarding was lifted with a large number of supplementary fed cattle coming forward with prices generally improving on last week's rates.

Yearling steers to the trade ranged from 323c to 342c to lift by 2c to 5c/kg. Yearling heifers to the trade ranged from 300c to 338c/kg to also rise. Restockers and feeder orders were active throughout the offering as they purchased yearling steers ranging from 322c to 352c with activity on yearling heifers ranging from 281c to 312c/kg.

More grown steers came forward as they ranged from 295c to 335c, to lift up to 3c/kg. Numbers also rose in the grown heifer run as they ranged from 275c to 308c to the trade, with heifers to turn out and grow on selling to 308c, with a high of 316c/kg being reached in an isolated sale to a feeder order. Light weight D1 and D2 cows mainly sold from 212c to 238c, with the better conditioned D3 selection ranging from 240c to 260c/kg. A small number of bulls ranged from 240c to 264c/kg.
