

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Naracoorte

report date 14 Jun 2016

Yarding Change 502
-246

comparison date 07/06/2016

Agents yarded the much smaller number of 475 head of live weight and open auction cattle. Less supplementary fed cattle came forward which lead to a fall in overall quality, as these cattle sold to a larger field of trade and processor buyers, with not all buyers being fully active. Restocker and feeder orders were also present and active as the market sold with a general lift in price across all categories.

Yearling steers to the trade ranged from 323c to 354c to be fully firm to 2c better in price. Restocker and feeder orders sought supply ranging from mainly 322c to 346c/kg. Yearling heifers to the trade ranged from 316c to 344c to lift by up to 10c, with restockers and feeders active ranging from 305c to 328c/kg.

Grown steers were scarce with the cattle yarded selling very well as they ranged from 315c to 329c with a lift of 10c/kg. Grown heifers lifted by up to 20c as they ranged from 268c to 322c/kg. Cow numbers were similar to the previous week with the light weight D1 and D2 types to the trade ranging from 198c to 236c with restocker activity to 259c/kg. The D3 selection were firm to 4c dearer as they ranged from 245c to 265c/kg. Bulls ranged from 234c to 268c/kg.
