

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Pakenham

report date 28 Jun 2016

Yarding Change $\frac{247}{-91}$

comparison date 21/06/2016

There were approximately 230 cows and 20 bulls penned representing a decrease of 90 head week-on-week. Most of the usual buying group were present and competed in a dearer market. Quality was mixed, with a very limited supply of heavy weight beef cows and a few more dairy cows on offer. Competition was very strong for all grades, with at some stages, the lightest cows selling at similar carcass weight prices to the heavy weights.

Prices improved 15c to 25c for most cows, while the heavy weight bulls gained 10c to 20c/kg. Most light and medium weight cows sold from 190c to 260c/kg. Heavy weight cows made mostly between 235c and 298c/kg. The majority of heavy weight bulls sold between 272c and 317c/kg.
