

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Pakenham

report date 19 Jul 2016

Yarding Change $\frac{237}{47}$

comparison date 12/07/2016

There were approximately 220 cows and 15 bulls penned representing an increase of 50 head week-on-week. The usual buying group was present but not all able to compete in a dearer market. Quality improved with a better selection of well covered heavy beef cows on offer and a few heavy bulls with very high yield potential. Prices for cows improved from 10c to 25c/kg and even more on some sales. Heavily muscled European bred bulls sold 20c/kg dearer for better quality while the British bulls held firm.

Most light and medium weight cows sold from 200c to 255c/kg. Heavy weight cows made mostly between 230c and 293c/kg. Heavy weight bulls sold between 270c and 316c/kg.
