

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Pakenham

report date 01 Aug 2016

Yarding Change ⁶⁹⁷/₈₃

comparison date 25/07/2016

There were approximately 350 export and 350 young cattle penned representing an increase of 80 head week-on-week. There was a full field of buyers present and competing in a generally firm market. Quality was a little more mixed with a greater supply of secondary cattle and a little more weight in the grown steers and bullocks. A handful of heavy vealers showing good finish held firm. Yearling steers and heifers to the trade sold up to 5c/kg dearer for most, although there were some sales which were a little cheaper. The heavier and plainer run of grown steers and bullocks eased 5c to 8c/kg. Heavy weight crossbred manufacturing steers gained 6c/kg.

Heavy weight vealers suited to butchers sold from 338c to 377c/kg. Yearling trade steers made between 341c and 380c/kg. Yearling heifers to the trade sold between 335c and 377c/kg. Feeder steers made from 330c to 359c/kg.

Grown steers sold from 322c to 365c/kg. Bullocks made between 322c and 366c/kg. A handful of heavy grown heifers reached a top of 356c/kg. Heavy weight crossbred manufacturing steers sold between 318c and 344c/kg.
