

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

NVLX Wodonga

report date 16 Aug 2016

Yarding Change ¹⁵⁰⁰/₂₀₀

comparison date 09/08/2016

Cattle numbers were similar and quality was mixed over trade weight categories, with odd pens of well finished supplementary fed stock. Not all export buyers attended, while the usual group of domestic buyers operated.

Vealer prices lifted 9c due to the limited supply and recorded a top price of 394c/kg. Medium weight grass finished and supplementary fed heifers sold to subdued bidding and were 10c cheaper to average 349c/kg. Well finished yearling steers were in short supply and the supplementary fed portion benefited from stronger bidding, which pushed prices 6c/kg higher. Bidding weakened for secondary yearling steers with not all feedlots operating. Well-bred medium weight steers recorded a top price of 385c to average 374c/kg. There were less feeder heifer orders in place and prices were generally unchanged to a few cents easier, selling from 344c to 375c/kg.

There was a mixed quality offering of grown steers and bullocks to a small group of export and domestic processors. Weaker demand resulted in a cheaper trend of 9c to 10c/kg. The better quality pens of prime C3 steers and C4 bullocks made from 330c to 361c/kg.
