

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

CTLX

report date 20 Sep 2016

Yarding Change 689
-436

comparison date 13/09/2016

Numbers were back due to continuing wet weather. Quality was good on most cattle, with yearlings being best supplied, with a fair percentage off crops. There was a very good run of milk and 2 tooth steers which were in excellent condition and most of the cows penned were heavy weights. Not all the usual buyers operated in a dearer market.

Light restocking steers and heifers gained 9c to 12c, selling from 350c for heifers to 450c/kg for very light Angus steers. Feeder steers gained 13c on the medium weights and 5c/kg on heavy weights. Prices ranged from 330c to 400c/kg. Heavy feeder heifers lifted 12c, selling between 345c and 368c/kg. Trade steers and heifers increased 4c to 7c, receiving 360c to 400c/kg.

Grown steers were 12c stronger, selling from 345c to 368c/kg. Heavy weight cows gained 7c, with the 3 and 4 scores 262c to 296c, to average 285c/kg. The best of the heavy B muscled bulls reached 292c/kg.
