Yarding Change ²⁰⁰⁰/₃₀₀

comparison date 10/01/2017

Numbers lifted and young cattle showed some mixed price trends, with quality a factor in some of the cheaper results. The usual buyers were present along with an extra southern processor. There was some local restocker interest along with a few local feedlot orders.

The mixed quality supply of vealers sold to fluctuating prices due to a lack of finish. Well finished veal with finish held firm making 332c to 357c/kg. There main run of trade heifers were unchanged to average 311c/kg. The limited supply of steers suitable for the trade sold at 314c to 338c/kg. Not all feed lot buyers operated having filled orders the previous week at the annual Blue ribbon store sales. Well-bred medium weight yearling steers lifted 5c selling from 307c to 347c/kg. There was less feeder heifers order in place and well-bred heifers to feed on sold at 280c to 320c/kg.

The bigger offering of grown steers and bullocks sold to the usual turnout of buyers. The C3 and C4 steers sold were mostly unchanged making from 284c to 337c/kg.
