## **AuctionsPlus Market Comments: Week Ending 18<sup>th</sup> September 2015**

**By: Anna Adams**

Cattle numbers were up 1,100 to 9,010 with sellers taking advantage of the steadily climbing prices as the EYCI edges close to the now inevitable 600c mark.

Yong cattle this week were again in the 400c plus range, though not at the weight and frequency of the past couple of weeks, and with only a handful under 300c prices were relatively stable for backgrounder weights. Steers under 250kg sold from 250c to 402c averaging 332c, up 1c, and heifers made 226c to 356c averaging 303c to jump 22c. 250kg-300kg steers made 286c to 409c to average 350c, down 4c and heifers made 287c to 327c to average 309c, down 10c. 300kg to 350kg steers made 312c to 377c averaging 342c, up 8c, while heifers made 280c to 313c to average 303c, down 10c. Steers over 350kg sold from 251c to 360c to average 323c, down 18c, and yearling heifers over 350kg made 272c to 291c, averaging 282c, down 16c. Highlights included 212kg Droughtmaster steers in north Queensland selling for 337c or \$716, Droughtmaster & Droughtmaster cross No.5 steers at Moura weighing 376kg selling for 323c or \$1219 and the heifer portion at 317kg making 305c or \$968, 255kg Booroomooka blood Angus steers at Hannaford making 409c or \$925, 377kg Angus steers out of Coonabarabran selling for 360c or \$1358, Hereford heifers at Merriwa weighing 330kg selling for 313c or \$1035, and 420kg kg Angus steers out of Benalla making 335c or \$1405.

Joined female demand was strongest for mixed age lines primarily out of Qld, topping at \$1600 for a small line of two to six year old Charolais cows joined back to Charolais, while lines showing more variance in age made from \$1160 to \$1460 averaging \$1230. Young breeders made \$865 to \$1370, and yearling heifers made \$1400 to a top of \$1460 for Angus/Santa heifers in southern QLD joined to Angus. Cows with calves are now regularly tipping over \$2000, this week topping at \$2150 for three year old Angus cows with Angus calves out of Deniliquin, and Angus first calvers twice making \$2000. Proven breeders made from \$1480 to \$1910, and mixed age lines sold from \$980 to a top of \$1850 for two to nine year old joined Charolais cows with Charolais calves.

Cattle		
State	Town	Details
