AuctionsPlus Market Comments: 8th May 2015

Last week's solid rainfall across parts of Australia is still having an effect on the sheep and cattle markets with a pleasant push upwards in AuctionsPlus sales across the week. Wool prices joined in adding up to 100c/kg clean for some fleece microns and it's rare to see livestock and wool moving upwards in unison to the benefit of producers.

Just 316 sheep short of 60,000 head were offered on AuctionsPlus this week with Merino ewe lambs this week ranging from \$45.50 to \$114 for the top line of 40kg, North Cowie blood, 10 to 11 month old ewe lambs with a 2" skin, from Broken Hill NSW. A large offering of Merino wether lambs in the eastern states made \$36 to \$85 with an average of \$63. Proven Merino breeders weakened this week, ranging from \$53.50 to \$140, however as the wool market continues to strengthen, woolly ewes drew bidder interest. The top priced lot was a mob of 5 year old Glendemar blood ewes, which had a 2" skin and were scanned in lamb (SIL) to Border Leicester Rams from Nyngan NSW.

First cross ewe lambs made \$126.50 to \$160 with an average of \$144, while aged Border Leicester/Merino ewes made \$125 to \$135. The feature dispersal from Bathurst NSW was a highlight of the sale, with the 3-4 year old ewes weighing 61kg SIL to Tattykeel Poll Dorset Rams, made a solid \$206. While the 4-6 year old ewes also SIL made \$150.

Store lambs continued to strengthen with 30kg to 33kg making \$95 to \$106.50, with an average of \$101 or 757c/kg dressed weight. Lambs weighing 36kg to 38kg made \$84 to \$121, with an average of \$105 or 670c, down \$5 on last week. The top line was 37kg 2nd cross Poll Dorset mixed sex lambs from Cooma NSW. The heaviest lambs offered from 39kg to 41kg made \$90 to \$117, with an average of \$107 or 633c. Increasing processor activity saw mutton sell for up to 374c/kg with an average of 333c.

A solid cattle market this week saw 8,234 head being catalogued with a plethora of Angus steers on offer where young steers sold for an average of 267c but the top price made a whopping 375c for Angus/Santa Weaner steers weighing 192kg at Toobeah. Medium steers averaged 278c but heavy steers over 300kg thumped in an average of 281c with an incredible top price of 308c for 10 month old EU accredited Angus steers at 340kg from Guyra, NSW. Heifers saw little change this week with the lighter end under 250kg averaging 240c to 300+kg at 238c.

This week's catalogue had several great lines of breeders with 2-3 year old heifers PTIC from Eaglehawk Angus stud, Glen Innes weighing 440c/kg selling for \$1410. At Yerong Creek, Riverina NSW, 50 PTIC EU accredited Angus Cows 5.5 to 7 years, 615Kgs sold for \$1450 with Rennylea Bloodline. In the Landmark Santa Female Sale, a standout line of EU heifers from Theodore made \$1530 weighing 480kg for 2-3 year olds.

AuctionsPlus and Wooltrade sold over 1,600 bales this week, nearly 6,000 bales in the past 4 weeks as tight supply and strong demand push prices closer to 2011 record levels. Check out the AuctionsPlus CEO in the first episode of Regional Voices sharing her journey from jillaroo to CEO, all the learning curves she has climbed in between, and the people who have inspired her along the way. <http://www.hc.net.au/regional-voices/anna-speer>
