**RECRUITMENT**

Our client is a significant and diversified agribusiness within specialised market segments lead by a professional and experienced management team. Growth and strategic priorities within the business are the catalyst for seeking an experienced Chief Financial Officer (CFO) to partner with management and assume leadership responsibility for all business financial functions.

The CFO is a key member of the leadership team and responsible for delivering effective financial leadership throughout the business.

Suitable candidates will have at least 15 years post qualification experience and at least 5 years experience in a financial position at CFO or senior GFC leadership level.

Candidates must have a relevant tertiary degree and be current members of either CA or CPA. Post graduate studies would be highly desirable.

Qualifying candidates will also need to demonstrate their sector experience in an agricultural enterprise and exposure to international trade issues including treasury, FX and futures.

The CFO will play a pivotal role in developing, monitoring and evaluating business performance and the development of corporate strategy with an emphasis on bottom line contribution, growth strategies, and enhancing value.

Key duties of the position include:

- Financial reporting
- Budgeting and forecasting
- Systems implementation
- KPI reporting, cash flow reporting and balance sheet maintenance
- Process improvement and people management
- Develop and maintaining proper internal controls
- Ensure legal and regulatory compliance regarding all financial functions
- Manage the treasury activities, including cash flow management and banker relationships

Excellent interpersonal, communication and analytical skills are essential in order to build effective working relationships and success in this enterprise.
