

## **PASTORAL COMPANY**

### **ASSISTANT FARM MANAGER**

An experienced individual is required for a diverse cattle farming operation located 60 km south of the Adelaide CBD. This key leadership position reports to the Farm Manager and is responsible for the implementation of production plans and further property development.

The core responsibilities and requirements of the role includes:

- Cattle Husbandry for 1000 cows
- Pasture Husbandry for 1400 ha (44 ha of pasture is irrigated)
- Operation of machinery
- Irrigation operation and maintenance of a fully automated centre pivot
- Maintenance, repair, modifications and improvement of property infrastructure
- Staff and contractor management
- Hold current and valid driver's licence, fire arms licence and chemical user's certificate
- Have own working dog(s) and tools

Apart from being highly experienced in the responsibilities detailed the individual must be self-motivated and have a proven ability to prioritise and plan a schedule to meet the production targets.

The role requires an individual who is practical, flexible, attentive to detail, honest, reliable, can solve problems as they arise and possess a strong work ethic.

Applications should be forwarded by email to [bayeux@bayeux.com.au](mailto:bayeux@bayeux.com.au) and include a cover letter addressing the above position requirements, your level of experience and a resume, please quote reference number 12453.
