

**Cattle Stud Manager
Southern Highlands NSW**

An opportunity exists for a person experienced with stud cattle to join our well established and successful Charolais, Angus, Hereford and Highland cattle studs. Located primarily on properties in the Southern Highlands, with additional properties in Cowra, NSW.

The successful applicant will:

- be experienced with the breeding (including A.I. and E.T.), preparation, showing and care of stud cattle;
- be competent in farming activities such as cropping, pasture improvement, operating and maintaining farm machinery;
- be self-motivated and energetic with a strong work ethic;
- possess excellent communication and people skills.

McLachlan Group has been breeding quality stud cattle since 1979. This position is an attractive career opportunity for the right person.
