

# Operations Manager

Jindalee Feedlot, NSW

## About this Opportunity

Teys Australia Jindalee is a 17,000 head modern feedlot facility located 20 klms from Temora in Southern NSW and is one of the most advanced feedlots in Australia. We offer excellent facilities for livestock handling and cattle feeding.

Currently an opportunity exists for an **enthusiastic** person to join our progressive team as the Operations Manager.

The role primarily oversees daily feedlot operations working with **the livestock, feeding & milling departments, contractors and maintenance teams**. The position suits a person who takes ownership and accountability in decision making, and can assist the General Manager Jindalee Feedlot in operating a profitable feedlot.

Applicants should possess the following attributes:

- Ability to follow and enforce all OHS and environmental requirements
- Animal awareness and continual improvement in animal welfare
- Ability to demonstrate contemporary animal husbandry techniques
- Knowledge of machinery maintenance
- An understanding of grain handling equipment
- Ability to communicate and influence all levels of management and workforce
- Ability to demonstrate development, and management of high performing teams
- Have advanced computer skills
- Ability to work in a Quality Assured focused workplace
- Ability to implement change for continuous improvement
- Tertiary qualification in agricultural science or related field would be highly regarded

The successful applicant would ideally have prior experience in feedlot management. A salary package is offered based on the skill and qualification level of the successful applicant.

Applications (including cover letter and resume) should be forwarded to:
