

Rangers Valley Feedlot, on the Northern Tablelands of NSW, specialises in the production of high quality longfed beef. The operation combines a 33,000 head cattle feedlot, backgrounding and farming operation.

### **Pen Rider**

A position has become available within the Livestock Crew, reporting to the Livestock supervisor. This position is full time on a 10 day on – 4 day off roster.

Key duties include, but are not limited to;

Pen riding, monitoring cattle health, administration of animal health products, cattle handling (foot and horses), processing cattle, cleaning and maintenance of water troughs, computer record keeping, and quality control.

Applicants must be able to competently ride, supply own horses and tack. Will suit a person interested in intensive cattle production.

Successful applicants will be motivated self-starters, be able to work within a crew, have the ability to work under instruction and be prepared to work hard. Experience is an advantage but a positive attitude is essential.
