

ANNA BROWN RECRUITMENT
Specialising Australia wide in Rural Employment

HEAD STOCK PERSON
Stirling Lotus Vale Station,
Gulf of Carpentaria, QLD

This diverse cattle operation requires a broad minded, enthusiastic and experienced individual for the role of Head Stockman. Situated approx. 100km from Normanton and Karumba, Stirling Lotus Vale Station is a high-grade Brahman backgrounding operation currently running approx. 18,000 head across 125,000ha and including a growing Brahman Stud. The station is run as a part of a larger group of adjoining stations.

Reporting to the Station Manager, you will be responsible for delivery of a structured mustering and sales program utilising a team of up to 8 people, and possess the following requirements:

- Excellent horse and cattle handling skills, with a focus on *Low Stress Stock handling* techniques
- The highest standards of vehicle, equipment and machinery maintenance
- Proven communication and strong leadership traits
- Meticulous record keeping ability
- Willingness to learn new concepts, and adapt them to a team environment
- Commitment to a solid Workplace Health and Safety program
- Manual Car License

Desirable but not essential:

- Prior Stud experience
- MC truck license
- First Aid
- Chemical Certificate
- Basic Computer Skills

Very attractive remuneration package for the right applicant.
