

TERRITORY MANAGER – FEEDLOT INDUSTRY

The Company

Performance Feeds Pty Ltd is a privately owned manufacturer and marketer of liquid and dry supplements dedicated to the feedlot and grazing industries. Operating since 1994 Performance Feeds operates three manufacturing facilities serving our customers livestock requirements throughout eastern Australia.

The Role

Performance Feeds is seeking to appoint a motivated sales professional to represent the company's range of products to feedlots in Southern Queensland and Northern New South Wales.

Based at Kingsthorpe you will be working as part of a small but efficient team. You will play a vital role in the implementation of innovative sales and marketing activities to ensure that we exceed our customers' expectations. Performance Feeds is a resourceful enterprise, operating highly efficient manufacturing facilities under HACCP, Feed Safe and ISO accredited quality systems.

The Right Person

The successful candidate will have excellent communication skills, be highly professional, have a developed and proven sales record as well as an in depth understanding and empathy of Australian Agriculture, particularly related to feedlot operations. A comprehensive on the job training program will be provided in conjunction with further development training.

The position requires regular travel, therefore time away from your home base is required.

A comprehensive salary package will be negotiated with the successful candidate.

Close of Date: 27th January
