

Barkly Landcare & Conservation Association Inc.

Establishing Sound Land Management Practices in the Barkly Region of the Northern Territory

POSITION VACANCY (7-8 MONTHS)

LANDCARE COORDINATOR

BARKLY LANDCARE & CONSERVATION ASSOCIATION

Barkly Region, Northern Territory

(\$67 000 - \$ 77 000 per annum Tennant Creek based)

A challenging opportunity is available for a person to fill the role of Landcare Coordinator for Barkly Landcare & Conservation Association.

The position involves working with pastoralists and communities in the Barkly Tableland region and includes the coordination and management of natural resource management (NRM) projects.

Applicants should have some experience / knowledge of landcare issues and experience or capacity to prepare funding applications and reports.

Good communication and interpersonal skills are essential along with an enthusiastic and energetic attitude towards natural resource management.

The position is available until November 2017 (mat. Leave). The successful applicant will be based in the Barkly region with salary and conditions negotiable based on location and experience. Accommodation assistance will be provided and a 4WD with percentage private use.

Contact Anne Alison 08 8962 4494 or aalison@barklylandcare.org.au for more information.

Applications close COB Friday, 17 / 03 2017.
